QWEL®

A Cutting-Edge Device, Engineered For Insight.

With Qwel, you'll be closer to your customers than ever with real-time monitoring of their whole plumbing system from your dashboard.

Simple Installation Process

Superior Materials

- Professional grade components with stainless steel ball valve

6 Sensor Array:

- Quad-path ultrasonic flow sensor
- Water pressure
- Water temperature
- Ambient Air temperature
- Humidity levels
- Water quality (TDS)

WiFi / Bluetooth Enabled

Smart Home Compatible

Machine Learning

- Qwel learns water usage patterns for increased accuracy

\$695.00

Qwel Pro Dashboard

Empowering the trade with valuable access and real-time insights.

Pro Dashboard + App Delivers:

- 24/7 monitoring of your Qwel customers
- Proactive, actionable service calls
- Commissions on each customer
- monitoring subscription

Qwel Also Provides:

- Installation Training
- Installation Support
- Technical Support
